

SOME THINGS TO KEEP IN MIND

NO FOOD OR DRINKS

(Not even coffee or water 🙄)

PLEASE CLEAN UP AFTER YOURSELF

Lots of faculty use this space. We've provided cleaning and disinfecting supplies on the supply cart for your convenience. Please clean and disinfect surfaces you've touched to keep the space clean and safe for the next user.

RESPECT EVERYONE'S TIME

Please reserve the studio before use to make sure no one is double booked or forced to rush. Also, keep an eye on the clock so you know when your reservation ends. You never know who is coming in next!

LET US HELP!

Contact the Center for Academic Innovation if you run into any trouble using the studio equipment or need assistance.
